Meet The Officers

Lara Wyatt - Historian

My name is Lara Wyatt and I am your historian. I am currently a sophomore at Trinity-Byrnes Collegiate School and have been in Latin for 4 years. I could eat a turkey club every single day and love anything Disney.

Cates Saleeby - VP

I'm Cates Saleeby, and I have had the pleasure of serving as your vice president over the past year. My favorite piece of Latin literature is Ovid's *Metamorphoses* and I love to run and bake. See you soon!

Lanie Kirby -
Parliamentarian

Salvete omnes! I am Lanie Kirby and I am a sophomore at Trinity-Byrnes Collegiate School. I love Clemson football, sweet tea, and the beach. I love to cheerlead and walk to the pantry for physical activity. It has been a pleasure serving you this year!

Carson McMillan -

Salve ya'll! I am your secretary and wrote this newsletter. My spirit animal is a tiger and I love to play guitar and hang with friends. I hope to meet many of you very soon and talk some Latin!

President Bhavani Srinivas

I'm s senior and resident pasta snob at Wando High School. I love art and hash browns (one and the same, really) and I hate clothes with no pockets and being wrong. My hobbies include blue link surfing, acting like I'm more important than I am, and making

Nationals!

The National Convention will be one of the greatest weeks of your young lives. In this section of The Torch We are going to look at a first hand account of a wonderful nationals experience and we will look at some other interesting activities and aspects of this amazing week.

Person Experience From Bennett Joyce

The National Convention for Latin is an experience of a lifetime that I'm so glad I did. I had my reserves about going so far away to study Latin, a language I thought to be dead, until I experienced the Nationals. The Convention honestly brought the language alive for me as I made some memories I will never forget. Seeing so many people so passionately enriched in the Classics invigorated me to further my studies in Latin. The Convention was full of experiences I will never forget and I cannot even picture my high school experience with out it.

Just having fun hanging out in Texas!

Closing Remarks

Well guys it has been a great year with a successful Spring Convention and Fall Forum. None of this would have been possible without your participation and dedication to the Classics. On behalf of the entire SCJCL Council I would like to say thank you to all students and teachers who assisted and participated in SCJCL functions this year. Without your support none of this would have been possible, and we hope to see you all this summer in
